Attention!

"CFR online tickets" are NOMINAL and allow the persons named in the ticket to travel only by the train / trains for which the request was made. It is advisable for the passengers to submit the ticket on the train. In situations in which the respective person can not prove his identity on the train and / or the quality declared of: child (as required by law) or "TrenPlus" card holder, they will be considered as being without valid tickets and will be obliged to pay the increased tax rate in the train.

At this type of ticket, it is NOT allowed to postpone, anticipate or interrupt the trip. The refund is possible only with compliance of the terms of use of "CFR online tickets". In special cases, or for any further information, passengers are asked to contact directly the CFR Calatori booking offices. Some commercial offers DO NOT ALLOW REIMBURSEMENT. In the case, if the customer buy such a commercial offer, these information will be mentioned on the "CFR online ticket" as : "Warning! The ticket can not be refunded". By choosing this type of commercial offer, the client agree with this restriction about the reimbursement.

Passengers who have CFR online tickets are obliged to inform and fully respect the laws in force on the trip by rail (including those of transport luggage) like any regular passenger.34.35
